- Onboard entertainment is available to stream to personal devices on most flights, including a selection of movies, games and music (headphones available for purchase)

Checked Bags, Carry-On Bag, and Seating Options:

- Baggage and seat options are available for purchase at suncountry.com subject to Sun Country Airlines pricing and are nonrefundable. Options may be purchased directly from the carrier once the confirmation code has been provided by your vacation provider, approximately 3 business days after deposit. **Please note that ticketing 3 business days after deposit may not be available until January 2027. Confirmation codes will not be available for the Summer 2027 flights until that time.**

Check-In:

- Passengers may check into their flight in advance on suncountry.com or via the Sun Country mobile app. Passengers checking in via the app will receive a convenient mobile boarding pass. An additional benefit to mobile check-in is that passengers are kept up to date on any flight changes impacting their travel plans when personal contact information is entered. All advanced checked in passengers will still need to have travel documents verified either at the ticket counter or gate prior to departure. Please note that if checking in at the airport, passengers should go to the Sun Country Airlines ticket counter to receive their boarding pass as currently the kiosk service is unavailable for international flights.
