

Set Your Own Commission

The ALG Vacations® brands set a standard commission amount based on the commissionable options that are included with an itinerary. However, you have the option to set your own commission or increase your commission amount yourself. Commission may be increased up to 90% or \$10,000 (whichever is greater) with **Apple Vacations**, **Travel Impressions**, **Funjet Vacations**, **Blue Sky Tours** and **United Vacations®**.

To Set Your Own Commission

1. Click the **Booking Administration** link within the pricing panel of an itinerary.
